Jack THE RIPPER

THE WHITECHAPEL MUSICAL

In 1888, five prostitutes were brutally murdered
in London's Whitechapel district. Their deaths
were credited to one killer. With play-by-play
accounts constantly published in the local press,
the case took on a life of its own, even giving the
killer his famous moniker, until after the death
of the fifth victim, when the murders mysteriously
stopped. The case remains unsolved to this day.
This musical is one fictional possibility.

Performances

THURSDAY, FRIDAY & SATURDAY
OCTOBER 19-20-21, 26-27-28, at 8:00

AFTERNOON MATINEES on
SUNDAYS, OCTOBER 22 & 29, 2017 at 2:00 P.M.
